

Full Time Opportunity

BASS Manager

The Adelaide Festival Centre is central to the Arts in South Australia and an integral part of community life in the State. BASS is South Australia's major ticketing agency and an important part of the AFC's business activities.

The BASS Manager role will:

- Be charged with repositioning the business as the primary ticketing agency for Arts & entertainment, identifying future growth opportunities and developing & implementing strategies for their realisation;
- Manage the BASS business to ensure industry best practice service standards are being achieved;
- Oversee the successful operation of the BASS ticketing system to ensure that it is operating profitably and that customer relationship management benefits are being achieved; and
- Liaise with key stakeholders in the Arts and entertainment sector, including AFCT and Home Companies to facilitate audience development.

We are looking for someone with good business acumen and previous experience in a like role within a senior management team. Experience managing teams in a customer focused environment, preparing and winning business tenders, excellent communication and negotiation skills together with the ability to meet business targets and maintain deadlines are essential.

If you have the business "know-how", initiative and marketing flair to make a success of this role, then we want to hear from you!
