

# ODDY SEA

## Social story

By Sensorium Theatre

Oddyseea is a theatre show with  
music and puppets.

There are two main puppets in the show:

Crab

Turtle

There are also lots of other sea creatures  
for you to meet.

We will come to your school  
and make a special beach.

Before the show Frankie, Michelle, Jamie, Rachel and Amity will come to your school to help you make things and learn songs from the show.

During the show they will sometimes give you things to touch like sand, shells & corals.

Or to smell, like seaweed.

Or to taste, like jelly sea snakes.

You can say - “Yes please”  
Or “No thank you”.

When we go deep under the water in the show,  
it gets a bit dark and we can play with torches!

We hope that you will enjoy our visits and  
the Oddysea show.

Sensorium Theatre create multi-sensory performances designed specifically for children with special needs. Through workshops and hands-on interactive storytelling, young audiences are able to touch, taste, smell, hear and see stories unfold around them.

This social story is designed to enhance children's understanding and enjoyment of the *Odyssey* performance.

Sensorium Theatre
